Financial Commitment Policy for Utah Soccer Alliance

POLICY – Club Fees and Refunds: Utah Soccer Alliance Competition fees are due and payable upon a player's individual commitment to a USA team immediately after tryouts each year – even if registration for league play does not occur until a later date, for example, after high school play for girls during fall season. The fees apply to the seasonal year commencing after tryout and continuing through July 31 of the subsequent year. While Utah Soccer Alliance understands that some circumstances may necessitate a player leaving a team, such as severe injury or a family move, Utah Soccer Alliance expects all players to honor their commitment to a USA team and their teammates for the entire seasonal year. Once a player has committed to a USA team via registration, the fees are non-refundable. We encourage our families to pay the entire Club fee at registration. If this is not possible, families may choose to pay their fees in installments. There may be service fee, per transaction, for installment payments. In this manner we seek to ensure the viability of a team for other players who depend on the commitment of all players to the team for their soccer opportunities. This non-refund policy also allows Utah Soccer Alliance to make financial commitments to its coaching staff in an effort to further ensure the viability of the team for all players on the team. If fees are not paid according to this policy the player will be placed on disciplinary action and will not be allowed to participate until balance is paid in full.

Scholarship Policy for Utah Soccer Alliance

POLICY – Scholarships: Utah Soccer Alliance believes that everyone should be able to participate in competition soccer, regardless of financial status. Competition soccer is expensive. Utah Soccer Alliance offers a limited number of partial scholarships to highly qualified and motivated players ready to commit to a USA team. No one is guaranteed a scholarship. Scholarship applications will be reviewed and awarded by the Scholarship Committee, which shall be comprised of a minimum of four individuals from the Club Executive Board, Director of Coaching and Coaching Committee Members. Utah Soccer Alliance Scholarships will cover club registration fees only. It is the player's responsibility to pay for any uniform, apparel items, tournaments, clinics/camps and travel costs. All families receiving a scholarship will be required to contribute a minimum of 15 volunteer hours to club and/or team functions. Scholarship players will also agree to be at all practices and games. If they are not able to make it for some reason they are responsible to notify the coach prior to the absence. Submitting any false information on the scholarship application will disqualify the child from receiving scholarship assistance and may lead to dismissal from the club including immediate re-payment of all fees. Utah Soccer Alliance expects all players to honor their commitment to a USA team and their teammates for the entire seasonal year
