

## Frequently Asked Questions about Recreation Soccer

### Q: What is the fee for recreation soccer?

**A:** The recreation soccer fee is \$65.00 for each participant. This includes both fall and spring seasons, uniform and a trophy. You will need to purchase shin guards and cleats. Shin guards are required. Personal checks, cash, Visa and Master Card are accepted.

### Q: Can my child be on the same team as a friend?

**A:** Maybe. Friends that want to play together must list the friend name at the top of the registration form. They also must list the same elementary school. No exceptions! Even if one attends a different school. Every effort will be made to accommodate friend requests, but requests cannot be guaranteed.

### Q: Can I request a coach?

**A:** Yes. You must list the elementary school where the coach is coaching and put the coaches' name at the top of the registration form. No exceptions! The number of players on rosters is limited and cannot be exceeded. Please check with your coach prior to registration. Every effort will be made to accommodate coach requests, but requests cannot be guaranteed.

### Q: What if I do not know my child's uniform size?

**A:** Don't worry about uniform sizes. If you're not sure, leave it blank on the registration form. Uniforms are pre-ordered in bundles, and the coach will distribute as needed.

### Q: What if my child does not attend public school?

**A:** For transportation convenience, participants are grouped by neighborhood public elementary school boundary. On the registration form, please list the public school boundary where you would like your child to participate. Do not list private schools, preschools, home school or charter schools.

### Q: What if my daughter wants an all-girls team?

**A:** All-girls teams are only available to participants between the ages of 8 and 13. You must write "all girls" at the top of the registration form or the league will assume you want a coed team.

### Q: What if my child is not placed on the team requested?

**A:** Please make sure you enter the correct information on registration forms at registration. School coordinators organize teams using the information you provide—taking into consideration team size and age group guidelines. Every effort will be made to accommodate coach and friend requests you have listed at the top of the registration form, but requests cannot be guaranteed. The league cannot make changes to rosters once teams are finalized.

### Q: When do games begin? When are games scheduled?

**A:** Games begin the first Saturday after Labor Day. Fall season games are scheduled on Saturdays in September and August. Spring season games are scheduled on Saturdays in April and May.

### Q: When and where are practices held?

**A:** Coaches set their own practice times and locations. Coaches will notify players of practice schedules.

### Q: When will I be contacted by my coach?

**A:** You will be contacted by your coach in late August.

### Q: Can I register late?

**A:** Yes, but coach, friend and elementary school area requests will be honored only if space is available on the requested team.
